About Me

BCA 3rd semester student with a strong interest in SEO, especially on-page and technical SEO. Currently learning practical SEO skills and looking for a part-time internship to gain real-world experience while continuing my studies.

Skills

- HTML
- CSS
- On page and Technical SEO (Beginner)
- Communication
- Teamwork

Education

- Bachelor of Computer Application (BCA)
Tribhuvan University 2024-Present
Currently studying core computer science subjects with a focus on web technologies and practical IT skills. Actively learning SEO concepts including on-page and technical SEO. Interested in applying technical knowledge through real-world projects and internships.
- +2 in Computer Science (Management) 2022 - 2024
Completed higher secondary education with a combination of computer science and management studies. Gained foundational knowledge of computing, accounting, and business concepts. Developed early interest in technology and web-related fields.

Project and Training

- SEO Training Program (24 Hours)**
Completed a structured SEO mastery course focused on on-page SEO, technical SEO basics, and website optimization concepts.
- Web Design Training (15 Days)**
Designed and developed a personal portfolio website using HTML and CSS, focusing on clean layout and responsiveness.
- Accounting Training (2 Days)**
Participated in basic accounting training during +2 level to understand fundamentals of business and accounts.
- 24-Hour Hackathon Participant**
Worked in a team environment to solve problems under time constraints, gaining experience in collaboration and time management.

CERTIFICATES & LEARNING CREDENTIALS

- Completed Accounting Fundamentals Certificate
- Completed Hackathon Participation Certificate
- Completed Web Design Certification (HTML & CSS)
- Completed SEO Mastery Certification
